Venue for Regional level Exhibition	Date
JNV Hoshangabad	1st & 2nd September 2018

All JNVs are having talented teachers in the respective areas. They are to be motivated to ensure the application of basic concepts in the exhibits. Innovations made by the students and the teachers may be highlighted through exhibits which correlated with the theme.

It should be ensured that only one teacher preferably science teacher (TGT/PGT) may be deputed on escorting duty for the Cluster & Regional level exhibitions. For any difficulty in escort teacher the venue vidyalaya will contact with the concerned Cluster Incharge Asstt. Commissioners. All efforts should be taken to prepare the best exhibits and to make the children present in a lucid and clear

manner. **The sub standard exhibits for the sake of mere participation will be viewed seriously.**

The guidelines issued by NCERT for preparation of exhibits, models and organizing exhibitions may please be downloaded from the NCERT web site.

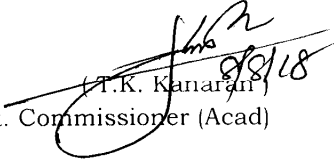

Inter House Science/So. Sci/Maths/ICT/SUPW Exhibition should be organized at the vidyalaya level and the best model/entries (as per theme) should be sent to the Cluster Level Exhibition. Good quality and research based exhibits to be prepared under the supervision of Subject Teacher & Principal and send for competition to cluster Cluster/Regional level.

Note

The exhibits should not be very large in size. These are easily carry-able and handy. Spending heavy amount and deviating from the theme will not be appreciated. No students be put on unnecessary trouble for the sake of show. Only purposeful items be produced matching with the theme.

This issues with the approval of competent authority.

Yours faithfully,

(T.K. Kanaran)
Asstt. Commissioner (Acad)
